

**BATHTUB  
REFINISHING  
STINKS...**

**...Takes Days to Dry,  
Cracks and Peels,  
Is a Major Health Hazard  
and YOU Pay the Price!**

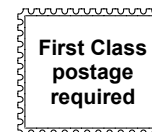

## **SPR®...the only safe and effective alternative to tub & tile refinishing!**

- ✓ **No Paint**
- ✓ **No Odors**
- ✓ **Use the Same Day**
- ✓ **Slip Resistant**
- ✓ **Never Cracks**
- ✓ **Never Peels**
- ✓ **Never Chips**
- ✓ **Never Fades**

SPR®, the world's first bathtub and tile restoration system that has all the benefits of refinishing, with none of the hazards or hassles. The SPR® process cannot Peel, Chip or Crack like a painted tub. SPR® restored tubs and tile are ready to use the same day, have virtually no odors and are slip resistant.

Finally, a safe and lasting solution to ugly bathtubs and tile. SPR®, serving America for over 30 years.
